Re: Proposed Amendment to 10 CFR Part 71

Dear Mr. Kerr:

In response to your request for a reply commenting on the above-referenced amendment which you enclosed with your letter dated August 5, 1980, I regret that the following comment was not submitted to your office by August 25, 1980.

We did contact Mr. John Robert's office and made an oral comment.

Our only comment on the amendment was to consider adding the words 'and/or his designee(s)' following the word 'governor' as the individual(s) to be notified.

If you should have any questions, please feel free to contact this office.

Sincerely,

Dana K. Mount, P.E.
