Gentlemen:

Thank you for your letter of September 26, 1980, in response to our letter dated August 27, 1980.

We have no further questions regarding your response at this time. We will review your corrective and preventive actions during a future inspection to determine if your actions, including the procedure revision, have provided effective control of your IEB 79-14 activities and that required evaluations and notifications to the licensee are being provided in a timely manner.

Sincerely,

A handwritten signature in cursive script, appearing to read "Uldis Potapovs".
