Washington, D. C. 20555

License No. DPR-35
Docket No. 50-293

Reference: Letter D. Eisenhut to BECo.
"Environmental Qualification
of Safety-Related Equipment"
dated October 1, 1980

Attachment: Pilgrim Unit #1 Environmental
Qualification Test Information

Dear Sir:

As requested in the above referenced letter Boston Edison Company herein provides in Attachment 1) to this letter all available information relative to environmental qualification testing to be conducted within the next two (2) years on equipment used or to be used at Pilgrim Unit #1. Please be advised that as testing dates are scheduled and if additional testing is planned we will make every effort to notify you, sufficiently in advance, to assist in your planning and scheduling.

If you have any questions concerning this information please do not hesitate to contact us.

Very truly yours,

cc: Mr. Boyce H. Grier
