IN RESPONSE REFER
TO FOIA-80-497

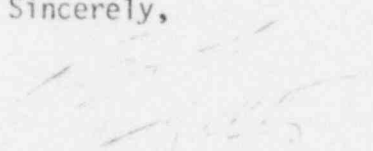

Dear Ms. McDonald:

This is in response to your letter of September 29, 1980 in which you requested, pursuant to the Freedom of Information Act, copies of NRC inspection reports on Pharmatopes, Inc., facilities in two named locations.

Please find enclosed the documents listed on Appendix A. Document four, Inspection Report No. 78-01, has the notation at the top of pages 13 and 14 indicating that the names of individuals (exposed to radiation) or other identifying material has been removed in order to prevent an unwarranted invasion of personal privacy. In a November 3, 1980 telephone conversation with Sarah N. Wigginton of this office, you agreed that this information was not essential to your request and, therefore, you had no objection to its deletion.

This completes NRC action on your request.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration

Enclosures: As stated
