Loviisa Nuclear Power Plant

Dear Dr. Palmgren:

It was most considerate of you to make such hospitable, helpful arrangements for our visit to Loviisa, and to take time to be with us for the visit. The plant itself was also very impressive. You can certainly be proud of your success with this remarkable machine. Its clean, orderly appearance certainly attests to the effectiveness of your management in achieving this record.

I hope that you will call on me if you visit Washington. Please also continue to contact me or Dr. Lafleur, through Dr. Vuorinen, if we can answer any questions about activities that may be of interest to you in running Loviisa. My best wishes to you and your staff for continued success.

Sincerely,

Joseph M. Hendrie
Commissioner
