Dear Mr. Tanguy:

I want to express my appreciation for your taking time to see me during my visit. As in the past, during your visit to Washington, I enjoyed being able to meet with you and discuss topics of mutual interest.

This was my first visit to Paris, and it is truly a magnificent city. The hospitality that everyone provided to Mrs. Hendrie and me made it a memorable visit.

I was pleased to see you again in Stockholm and I will look forward to seeing you on November 17 during your visit to Washington with Mr. Kosciusko-Morizet.

Sincerely,

Joseph M. Hendrie
