Re: RFP RS-RES-80-214

Dear Mr. Felton:

Martin Marietta Environmental Center was an unsuccessful bidder on the subject RFP. Since we have not conducted business with NRC in the past and would like to be more competitive on your future procurements, we are trying to learn as much as we can about the reasons our proposal was unsuccessful.

Consequently, we have requested both a debriefing and a copy of the winning proposal (minus any proprietary information) from the Contracts Office.

Regarding obtaining a copy of the winning proposal, they suggested that we refer our request to you, referencing the Freedom of Information Act.

We would like to review the winning proposal prior to our debriefing (which has not been scheduled yet) and therefore eagerly await your response.

Sincerely,

Warren D. Siemens, Ph.D.

Manager

Market and Program Development
