Gentlemen:

We received your October 22, 1980 letter, for approval of a by-pass route to the spent fuel route originally approved in February 1980.

Upon completion of review of the amendment request, a fee will be assessed in accordance with materials Category 13 (Special projects) and Footnote 3 of Section 170, of the enclosed Part 170. Footnote 8 provides that the fee will be determined by the Commission based on the amount of manpower and support services required to conduct the review.

Your request is being processed by the Licensing staff, and upon completion of their review, the Commission will notify you of the fee due. If you have any questions, please let us know.

Sincerely,
