Meeting Summary

Meeting on January 15, 1981 (Report to. 50-341/81-01)

Meeting Subject: General discussion between licensee and Region III concerning the Region III staff organization, the program for Systematic Appraisal of Licensee Performance, the NRC enforcement policy, licensee preoperational activities, and licensee's trending program.

8102120540

DETAILS

1. Meeting Attendees - Detroit Edison Company

C. M. Heidel, Executive Vice President, Operations
H. Tauber, Vice President, Engineering and Construction
E. Hines, Assistant Vice President, Quality Assurance
W. J. Fahrner, Manager Fermi 2
T. A. Alessi, Project QA Director
W. H. Jens, Vice President Nuclear Operations
P. A. Marquardt, Legal Council

2. Meeting Details

At the licensee's request, a meeting was held to promote a better understanding of Region III activities and concerns which influence the Fermi 2 project. The areas covered included a general discussion of the Region III organization; mission and objectives of the Systematic Appraisal of Licensee Performance; the NRC enforcement policy; and pre-operational activities that could enhance the licensee's programs.

The licensee also presented a brief description of their trending programs for the Fermi 2 project and of their corporate review.
