NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

JAN 7 1981

MEMORANDUM FOR: Raymond F. Fraley, Executive Director
ACRS

FROM: G. A. Arlotto, Director
Division of Engineering Standards
Office of Standards Development

SUBJECT: REVISION 1 TO DRAFT REGULATORY GUIDE AND VALUE-IMPACT
STATEMENT RS 705-4, DIVISION 1, "LIGHTNING PROTECTION
FOR NUCLEAR POWER PLANTS"

Enclosed for review by the ACRS Regulatory Activities Subcommittee are fifteen copies of Revision 1 of the draft regulatory guide, "Lightning Protection for Nuclear Power Plants", Value-Impact Statement, Discussion of Public Comments dated December 22, 1980 and copies of the public comments.

The guide was initially considered by the Subcommittee on May 3, 1978 and on January 3, 1979. The enclosed draft guide reflects comments received from the subcommittee and its consultant, the NRC staff and the public. The guide was issued for public comment in August 1979.

ACRS concurrence in the main Regulatory position is requested.
