Mr. John F. Ahearne
Chairman Commissioner
U. S. Nuclear Regulatory Commission
1717 H Street, NW
Washington, DC 20555

Dear Mr. Ahearne:

I hope that the rumors I hear about TMI Unit 1 possibly starting up are true.

I simply have not been able to understand letting a whole power plant stand idle so long when we are trying in so many ways to rid ourselves of dependence on foreign oil.

Yours truly,
Martin B. Mudge

Mrs. James W. Mudge
