Subject: Submittal of Report for Prompt Notification of the General  
Public Within 10 Miles of Yankee Rowe and Vermont Yankee

Dear Sir:

Yankee Atomic hereby submits three copies of a study on prompt notification of the general public to meet the criteria of Reference (c) above.

The study was prepared by Analytical Systems Engineering Corporation for Yankee Atomic Electric Company and includes the communities within 10 miles of Yankee Rowe and Vermont Yankee. The notification methods consists of a combination of fixed equipment, mobile systems or alert receivers which will convey the alerting signal with sufficient timeliness.

The study has been reviewed by The Federal Emergency Management Agency (FEMA), Region One - with no adverse comments.

Please expedite the review of this submittal and provide our office with comments and/or concurrence on the study. We would like to begin setting up meetings with local officials of each community to discuss ASEC's recommendations.

If you have any questions, please contact us.

Very truly yours,
