

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

TERA

JAN 30 1981

Docket No. 50-320

Mr. Henry D. Hukill
Vice President and Director
Three Mile Island Nuclear Plant
Metropolitan Edison Company
P.O. Box 480
Middletown, Pennsylvania 17057

Dear Mr. Hukill:

Since writing to you on December 1, 1980 concerning your response to the March 28, 1980 letter from H. R. Denton, we have had an opportunity to review the details of the TMI-2 operator training program contained in your letter of October 7, 1980 (Ref. TLL 483). As a result of this review, we conclude the program presented in this submittal is acceptable for the TMI-2 operators and therefore retract our comment on page 2 of the December 1, 1980 letter.

At an appropriate time, when decisions regarding the restart of Unit 2 have been made, we will of course, want to review the training program you plan to use for that phase of the operation.

Sincerely,

Paul F. Collins, Chief
Operator Licensing Branch
Division of Human Factors Safety
