Gentlemen:

Thank you for your letter of December 30, 1980, informing us of steps you have taken to correct the items of noncompliance concerning activities under NRC Operating License Nos. DPR-71 and DPR-72 brought to your attention in our letter of December 5, 1980. As specified in your response to the item of noncompliance regarding inadequate monitoring of airborne particulate activity, an evaluation of the effect on discharges back to August, 1976, is to be submitted to NRC, Region II by April 2, 1981. We will examine your corrective actions and plans during subsequent inspections.

We appreciate your cooperation with us.

Sincerely,
