FROM: Edward L. Jordan, Chairman
Committee to Review Generic Requirements

SUBJECT: CRGR MEETING NO. 235

The Committee to Review Generic Requirements (CRGR) will meet on Friday, January 22, 1993, in Room 1F7-9, OWFN. The agenda is as follows:

8:00 - 10:00 a.m. W. Minners (RES) will present for CRGR review a proposed amendment to 10 CFR 50.63 on emergency diesel generator reliability. (This topic was discussed previously by CRGR at Meeting No. 210.) [NOTE: The sponsoring office will distribute a draft review package for this item directly to CRGR members no later than COB, January 12, at the same time it is sent to NRR and OGC for final concurrence. If the package is received late by the members, or if any NRR/OGC review comments raise significant new issues, this item may be rescheduled for review at a later CRGR meeting.]

10:00 - 12:00 a.m. J. Richardson (NRR) will present for CRGR review a proposed supplement to Generic Letter 89-10 on motor-operated valves. [NOTE: The sponsoring office will provide the review package for this item directly to CRGR members by COB, January 12. If the package is received late by the members, this item may be rescheduled for review at a later CRGR meeting.]

If a CRGR member cannot attend the meeting, it is his responsibility to assure that an alternate, who is approved by the CRGR Chairman, attends the meeting. Persons making presentations to the CRGR are responsible for (1) assuring that the information required for CRGR review is provided to the Committee (CRGR Charter - IV.B), (2) coordinating and presenting views of other offices,

(3) as appropriate, assuring that other offices are represented during the presentation, and (4) assuring that agenda modifications are coordinated with the CRGR contact (J. Conran - 492-9855) and others involved with the presentation. Division Directors or higher management should attend meetings addressing agenda items under the purview.

In accordance with the EDO's March 29, 1984 memorandum to the Commission concerning "Forwarding of CRGR Documents to the Public Document Room (PDR)," the review packages for items scheduled at this meeting, which contain predecisional information, will not be released to the PDR until the NRC has considered (in a public forum) or decided the matter addressed by the information.
