MEMORANDUM FOR CHAIRMAN SEABORG
COMMISSIONER RAMEY
COMMISSIONER TAPE
COMMISSIONER JOHNSON

SUBJECT: BOARD MEMBERS FOR FUTURE HEARINGS

The application of the Florida Power Corporation (Crystal River Units #3 and #4) will be scheduled for hearing in the near future. I am proposing the following Panel members for this Board:

Florida Power Corporation, Docket
Nos. 50-302 and 50-303

Mr. Samuel W. Jensch, Chairman
Dr. Eugene Greuling
Dr. Hugh Paxton
Dr. Rolf Eliassen, Alternate

Mr. Jensch recently withdrew from the Northern States Power Co. Board and is therefore available. Dr. Eliassen is a new appointee to the Panel but he will be in Washington for indoctrination and consultation prior to the time this hearing is scheduled.

In the event any of the technical members are unable to serve, I propose to appoint either Dr. Stuart G. Forbes or Dr. David B. Hall.

If the Commission has no objection to these appointments, arrangements will be made to establish this Board.

A. A. Wells
A. A. Wells, Chairman
Atomic Safety and
Licensing Board Panel

cc: Director of Regulation (3)
General Manager (2)
General Counsel (3)
Secretary (2)
