Dear ~~Mr. DiNunno~~:

Please put my name on your mailing list to be notified in the event a nuclear power plant is proposed anywhere within a radius of 250 miles of Jacksonville, Florida.

Of course we are particularly interested in the fact that the Jacksonville Electric Authority is proposing a 900 MW plant. If you have any advance information on this facility we would very much appreciate receiving it.

If we need to take further action to receive this data, let us know.
