MEMORANDUM FOR: Those on Attached List

FROM: Bernard J. Snyder, Director, Three Mile Island Program  
Office

SUBJECT: Three Mile Island Public Meeting Transcripts

In response to the tremendous citizen interest in the TMI-2 cleanup, we have been holding a series of meetings with the public and local groups regarding the Draft Programmatic Environmental Impact Statement (PEIS) and providing an opportunity for citizens to comment on and ask questions about the statement. We are having verbatim transcripts made of these meetings and all relevant comments from these meetings will be considered, along with written comments, in preparation of the Final PEIS.

Enclosed for your information is a copy of the transcript for the meeting held on October 7, 1980, at Camp Hill, Pennsylvania, with the Pennsylvania Farmers' Association.
