Re: In the Matter of Northern Indiana Public Service
Company (Bailly Generating Station, Nuclear 1)
Docket No. 50-367 (Construction Permit Extension)

Gentlemen:

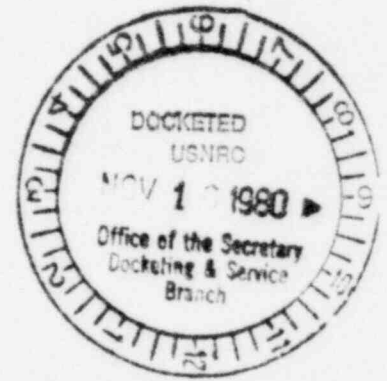

On November 3, 1980, a letter addressed to the Licensing Board
advised that Northern Indiana Public Service Company was announcing
that the anticipated in-service "data" for Bailly N-1 has been
changed to 1989. That letter should have referred to the anti-
cipated in-service "date" for Bailly N-1, which is now 1989.

Yours very truly,

EICHHORN, EICHHORN & LINK
