

ORIGINAL NUMBER PR 2 (21)
DOCKETED FILE 45FR66754

Cabell Huntington Hospital
X-Ray Department
1340 16th Street
Huntington, WV 25701
NRC Lic. #47-00404-02

Secretary of the Commission
U.S. Nuclear Regulatory Commission
ATTN: Docketing and Service Branch
Washington, D. C. 20555

Gentlemen:

This institution opposes the proposed NRC Policy dated October 28, 1980, and directed to "NRC Licensees, Public Officials and other Interested Citizens."

The proposed NRC meeting schedule to be complete barely 6 weeks after the public has received the notice of intended major policies, is hardly enough time for anyone to reasonably respond.

Sincerely,

C. E. McKay
C. E. McKay, M.D.
