Docket No. 50-466

MOTION FOR AMENDMENT OF PROTECTIVE ORDER

In a Protective Order dated June 27, 1980, this Board approved a settlement agreement on the inspection of a document known as the "Reed Report." This Protective Order allowed Mr. Doherty to inspect certain proprietary General Electric information. Subsequent to his inspection of this information, provided by General Electric as agreed, Mr. Doherty entered the further request to inspect certain sections of the Reed Report. While not agreeing with Mr. Doherty's assertions of relevance, General Electric Company has indicated its willingness to provide verbatim extracts from the Reed Report to the extent they contain information on the eight items from the so-called list of twenty-seven safety-related items set out in Mr. Doherty's letter request, provided that an appropriate amendment to the existing Protective Order and confidentiality agreement was issued.

S 0/1

Therefore, Applicant moves this Board to amend the June 27, 1980, Protective Order by substituting the following for ordering Paragraph 2:

IT IS HEREBY FURTHER ORDERED THAT, subject to Paragraphs 3 and 4 of this Order, those items of the "list of twenty-seven so-called safety-related items," which are relevant to Intervenor Doherty's contentions shall be identified, a current status report of those items and in addition verbatim extracts from the Reed Report to the extent they contain information relevant to Items Nos. 2, 5, 6, 7, 11, 18, 21 and 25 shall, in accordance with the procedures specified in Paragraph 3 of this Order, be produced for Mr. Doherty's inspection in Houston, Texas, at a mutually convenient time and place.

Attachment A of the June 27, 1980, Protective Order ("Agreement Regarding Disclosure Of Confidential Information") should also be amended to add the following to Paragraph C:

c. Verbatim extracts from the Reed Report to the extent they contain information relevant to Items 2, 5, 6, 7, 11, 18, 21 and 25 from the list of twenty-seven so-called safety-related items.

The unamended remainder of the June 27 Protective Order would remain in full force and effect. Counsel for Applicant has been authorized by Mr. Doherty to represent to this Board that he does not object to the entry of the amendment as set forth above.

WHEREFORE, Applicant respectfully requests that this Board issue an amendment to the June 27, 1980, Protective Order

as set forth above.

Respectfully submitted,
