Docket Nos. 50-445 and 50-446

Dear Mr. Fouke:

I am writing in response to your letter requesting copies of certain "NUREG" publications, a letter from the "Nuclear Oversight Committee [sic] to the President," and certain reports.

NUREG publications are available for sale from the:

GPO Sales Program  
Division of Technical Information  
and Document Control  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

You should direct your request for certain NUREG publications to the above office. Any future requests for NUREG publications should also be directed to the GPO Sales Program.

We have not been able to locate the other reports you request. We suggest that you contact the issuing organizations for those reports.

The Nuclear Safety Oversight Committee (NSOC) is not a part of the NRC and therefore your request for a Nuclear Safety Oversight Committee document should be directed to the NSOC as follows:
