General Manager  
Dairyland Power Cooperative

Dear Mr. Linder:

SUBJECT: DOCUMENT CONTROL SYSTEM LISTING FOR LACROSSE BOILING WATER REACTOR

In our meeting with the SEP Owners Group on December 2, 1980, we indicated that we would provide for you a listing of all correspondence relating to your facility concerning the SEP. Enclosed is the listing as of December 1, 1980. We feel that the attached listing provides a reasonable basis upon which to determine plant status. We have not performed a thorough check of the listings; therefore, some correspondence may be missing or misfiled while some others may not be appropriate to the topic. If you are aware of any changes that should be made, please inform us.

We would also like your comments concerning the usefulness of the system as a tool for tracking the status of SEP topics. If you feel the information is useful and would like to receive periodic copies of the report, please inform the project manager for your facility.

Sincerely,

*Dennis M. Crutchfield*
