REC'D 1-28-81

Director  
Office of Administration  
U. S. Nuclear Regulatory Administration  
Washington, D. C. 20555

Dear Sir/Madam:

In accordance with 5 USC 552, the Freedom of Information Act, I request that you furnish me with paper copies of the following documents:

1. All correspondence between the Nuclear Regulatory Commission (NRC) and the following individuals and agencies with regard to the radioactive materials found in Maywood, New Jersey and Rochelle Park, New Jersey, at the former Maywood Chemical Company sites:

- .. New Jersey Department of Environmental Protection
- .. New Jersey Bureau of Mines
- .. United States Environmental Protection Agency
- .. United States Department of Energy
- .. Ridgewood Water Commission
- .. Any Rochelle Park Township Agencies
- .. Stepan Chemical Company
- .. Sumner Real Estate Corp.
- .. Any other agencies or individuals not mentioned above

2. All reports, including summaries, test results, laboratory reports, water analyses, and memoranda on soil samplings related to the radiation materials in Maywood and Rochelle Park found at the former Maywood Chemical Company sites.

3. Any import or export licenses required for movement of thorium which were executed under the names Stepan Chemical Co. or Maywood Chemical Co.

4. Regulations presently in effect which cover conversion of thorium to U-233.

5. Any news releases issued by NRC related to this matter.

6. Any contracts, or invitations to bid on contracts, related to the analysis and/or cleanup of the Maywood and Rochelle Park sites mentioned above.

I understand that I shall be responsible for copying costs for the above. If further clarification of my request is necessary, I may be contacted at the following phone numbers:

Business: (212) 684-3505

Home: (201) 836-0973

Thank you for your attention to my request.

Very truly yours,

Dennis Hirschfelder
