Gentlemen:

Subject: Docket Nos. 50-206, 50-361, and 50-362  
New Applications Survey  
San Onofre Nuclear Generating Station  
Units 1, 2 and 3

In response to your letter dated December 5, 1980, Southern California Edison Company has no plans to submit construction permit applications, operating license applications, or any other applications or requests for review between now and December 31, 1983.

San Onofre Units 2 and 3 are presently under construction. Our current estimate of the construction completion dates are:

Unit 2: Second Quarter, 1981  
Unit 3: Third Quarter, 1982

If you have any questions or desire additional information concerning the above, please contact me.

Very truly yours,

*K P Baskin*
