In the Matter of
Long Island Lighting Company
(Shoreham Nuclear Power Station, Unit 1)
Docket No. 50-322

Dear Mr. Goldsmith:

At the meeting held on November 13, 1980, at Shoreham, you asked Jerry Wilson whether we could obtain a copy of the transcripts from the August 7-9 Advisory Committee on Reactor Safeguards meetings in Washington, D.C. Unfortunately, we are unable to locate any spare copies of the transcripts in question which we could loan to you even on a short term basis. I suggest that the next time you are at the Commission's Public Document Room (PDR) in Washington, you pinpoint the specific pages you are interested in obtaining and make arrangements for copying service with the PDR or through Alderson Reporting, 400 Virginia Avenue, S.W., Washington, D.C. 20024 - Telephone 202-554-2345.

Sincerely,

Bernard M. Bordenick
