Subject: Docket 50-289SP  
 TMI - Unit 1

Dear Mr. Ahearne:

It would be in the public interest to pursue the TMI-1 hearings as rapidly as possible. This does not mean cutting any corners. It is important that all the facts that are appropriate be considered. However, there is no reason to permit any delay in conducting the hearings or reaching a conclusion.

Sincerely,

A. David Rossin  
 Chairman, ANS Public  
 Policy Committee
