Reston, VA 22092

Gentlemen:

Subject: Interagency Agreement Number NRC 05-81-248

Pursuant to the Economy Act of 1932, the U.S. Nuclear Regulatory Commission (NRC) and the U.S. Geological Survey (USGS) wish to enter into an interagency agreement whereby USGS shall provide to NRC Power Plant Location Mapping Services.

ARTICLE I - SCOPE OF WORK

1. Provide assistance to the NRC in locating operating nuclear power plants on USGS 7 1/2 minute topographical maps where they are not now shown and;
2. Verify the proper location for those plants which are currently located on the maps. The purpose is to use these topographical maps as base maps for a related project with Battelle Northwest Labs which will produce NRC 10 radius mile emergency planning maps.

ARTICLE II - DELIVERABLES

1. As a result of Article I, paragraph 1 USGS shall plot and/or check plotting of all nuclear power plants on published topographical maps and provide list of geodetic coordinates for all plants.
2. As a result of Article I, paragraph 2 provide maps indicating all 53 operating sites to:

U.S. Nuclear Regulatory Commission
Attn: ERIC WEINSTEIN, EW/359
Washington, DC 20555

ARTICLE III - PERIOD OF PERFORMANCE

This agreement will commence upon date of execution and expire approximately 45 days thereafter or as soon as the project is complete.

ARTICLE IV - CONSIDERATION

In full consideration of the Contractor's performance hereunder, NRC shall provide on a cost reimbursement basis all costs up to but not to exceed \$3000.00. The Contractor shall maintain cost records so that a cost status can be readily ascertained and such that cost over-runs can be predicted and avoided. The Contractor shall promptly advise the NRC when the anticipated work is likely to exceed available funds. All applicable costs (time, travel, overhead, etc.) are to be borne by the Contractor.

ARTICLE V - OBLIGATIONS

The amount presently obligated by the NRC with respect to this interagency agreement is \$3,000.00.

ARTICLE VI - PAYMENT

The NRC agrees to reimburse the USGS during the period of performance for an amount not to exceed \$3000.00 for services described in Article I above. USGS will invoice NRC for actual costs incurred. Invoices should be submitted to:

U.S. Nuclear Regulatory Commission
Division of Accounting
Office of the Controller
Washington, DC 20555

ARTICLE VII - SPECIAL PROVISIONSVII.1 - PROJECT OFFICER

Eric Weinstein is hereby designated as the Contracting Officer's authorized representative (hereinafter called Project Officer) for technical aspects of this agreement. The Project Officer is not authorized to approve or request any action which results in or could result in an increase in the agreement cost; or terminate, settle any claim or dispute arising under the agreement; or issue any unilateral directive whatsoever.

The Project Officer is responsible for: (1) monitoring the Contractor's technical progress, including surveillance and assessment of performance, and recommending to the Contracting Officer changes in requirements; (2) interpreting the scope of work; (3) performing technical evaluations as required; (4) performing technical inspections and acceptances required by this agreement; and (5) assisting the Contractor in the resolution of technical problems encountered during performance. Within the purview of this authority, the Project Officer is authorized to review all costs requested for reimbursement by the Contractor and submit recommendations for approval, disapproval, or suspension for supplies or services required under the agreement. The Contracting Officer is responsible for directing or negotiating any changes in terms, conditions, or amounts cited in the agreement.

For guidance from the Project Officer to the Contractor to be valid, it must:
(1) be consistent with the description of work set forth in the agreement;

(2) not constitute new assignment of work or change to the expressed terms conditions, or specifications incorporated into this agreement; (3) not constitute a basis for an extension to the period of performance; and as stated above, (4) not constitute a basis for any increase in the agreement cost.

VII.2 - INSPECTION AND ACCEPTANCE

Acceptance of the services and reports to be delivered herein will be made by the Project Officer.

VII.3 DISSEMINATION OF CONTRACT INFORMATION

The Contractor shall not publish, permit to be published, or distribute for public consumption any information, oral or written concerning the results or conclusions made pursuant to the performance of this agreement without the prior written consent of the Contracting Officer. (Two copies of any material proposed to be published or distributed shall be submitted to the Contracting Officer.)

Sincerely,

Joyce Perlman
