Docket No. 50-293

Mr. Victor A. Morisi, Manager
Nuclear Operations Support Dept.
Boston Edison Company
M/C Nuclear
800 Boylston Street
Boston, Massachusetts 02199

Dear Mr. Morisi:

RE: Pilgrim I - Compliance with 10 CFR 50 Appendix J, Containment Leak Testing

This letter transmits our final review of your submittals regarding Appendix J to 10 CFR 50. Please review the enclosed Safety Evaluation Report (SER) and Technical Evaluation Report (TER). Your leak testing program and the facility Technical Specifications will require modification to ensure compliance with the regulation. Accordingly, your submittals of Jan 27, 1976 as modified on June 4, 1976 should be updated and resubmitted to propose the necessary Technical Specifications. In the interim, until such Technical Specifications are approved by the NRC, you should comply with the findings of the SER/TER. Please provide your response to this letter within 90 days of your receipt.

Thank you for your cooperation in this matter.

Sincerely,

Thomas A. Ippolito, Chief
ORB#2, Division of Licensing
