U.S. NUCLEAR REG. COMMISSION
MAIL SECTION

Mr. R. E. Cunningham, Director
Division of Fuel Cycle and Material Safety
Office of Nuclear Material Safety and Safeguards
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Reference: Docket 70-754

Dear Mr. Cunningham:

As is customary, a copy of the General Electric Annual Report is forwarded to the Commission in order to provide updated General Electric corporate and financial information. Accordingly, copies of the 1980 Annual Report are enclosed for inclusion in the referenced docket.

Sincerely,

G. E. Cunningham
Sr. Licensing Engineer
