Fee for amendment to ANO Industrial  
Security Plan  
(File: 0468, 1510, 2-1510)

Gentlemen:

In response to your letter of February 3, 1981, requesting a fee of \$4,400 be paid to NRC for the review of AP&L's requested amendment to the ANO Industrial Security Plan, attached please find a check in the amount of \$4,400 as payment in full for NRC's services. Subsequent to our submittal of January 2, 1981, an additional modification to the ANO Industrial Security Plan was identified which will require NRC review. This additional change, which is being submitted as a supplement to our original amendment request, is being transmitted under separate cover. Since this additional change is being submitted as a supplement to our original amendment request, it was determined that no additional fee is required for its review.

Very truly yours,
