Mr. Z. R. Rosztoczy, Chief
Equipment Qualification Branch
Division of Engineering
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Rosztoczy:

Subject: CLASS 1E EQUIPMENT QUALIFICATION PROGRAM

On January 16, 1979, the Supply System presented its Class 1E Equipment Qualification program to the NRC staff and committed to submit an information report describing the methodology for qualifying I&C/electrical equipment on the WNP-1/4 and 3/5 projects. The staff agreed to review the report and provide comments on the technical content and format of the report.

Accordingly, enclosed are five copies of the subject information report for your review. Should you have any questions regarding the report, please feel free to contact me.

Very truly yours,

G. D. Bouchey
G. D. Bouchey
Director, Nuclear Safety
