Transportation Certification Branch
Division of Fuel Cycle and Material Safety
United States Nuclear Regulatory Commission
Washington, D.C. 20555

Gentlemen:

On July 30, 1980, we received the enclosed letter from your office regarding Package Identification USA/9108/A.

Please examine your records for the correct holder of the above Package Identification Number.

MAGNAFLUX CORPORATION holds Package Identification number USA/9110/B().

We assume that you will notify Northern States Power Company that the MAGNAFLUX name should not have appeared on the registration letter.

Sincerely,

MAGNAFLUX CORPORATION
