Gentlemen:

This refers to the investigation conducted by Messrs. Lorenzo Wilborn and William D. Johnson of our staff during the period January 31 and February 1, 1980, regarding allegations by a concerned citizen.

The investigation and our findings are discussed in the enclosed investigation report.

No items of noncompliance were noted during this investigation.

Four unresolved items are identified in paragraphs 3d, 3e, 3f, and 3g of the enclosed report.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed investigation report will be placed in the NRC's Public Document Room. If the report contains any information that you believe to be proprietary, it is necessary that you submit a written application to this office, within 20 days of the date of this letter, requesting that such information be withheld from public disclosure. The application must include a full statement of the reasons why it is claimed that the information is proprietary, and should be prepared so that any proprietary information identified is contained in an enclosure to the application, since the application without the enclosure will also be placed in the Public Document Room. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

P

Should you have any questions concerning this letter, we will be pleased to discuss them with you.

Sincerely,

A handwritten signature in cursive script, reading "Glen D. Brown".

Glen D. Brown, Chief  
Fuel Facilities & Material  
Safety Branch
