Re: Freedom of Information Request

Dear Madam or Sir:

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, I hereby request a copy of information detailing the import to the U.S. from Australia of uranium, whether as U_2O_6 , U_3O_8 , or UF_6 . Specific information includes, but is not limited to:

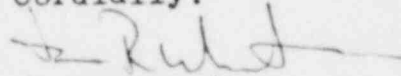

- total amounts of uranium imported; total amounts by type;
- destination of uranium, whether U.S. Government, private industry, or re-exportation;
- source of the imported uranium; i.e. which mine(s).

Information detailing export of uranium, or plutonium, from the U.S. to Australia is also requested. Of particular interest, but in no way limiting, is information detailing the importing of uranium by the U.S. as uranium oxides, and reexport back to Australia either as uranium flouride or finished fuel rods.

If any expense in excess of \$20 is incurred in connection with this request, please inform me of all such charges for my prior approval. If you do not grant my request within ten working days, I will assume my request has been denied.

Thank you for your time and attention.

Cordially:

James Wheaton
