CASE'S MOTION FOR EXTENSION OF TIME  
IN WHICH TO RESPOND TO APPLICANTS'  
FIRST SET OF INTERROGATORIES TO  
CASE AND REQUESTS TO PRODUCE

Pursuant to 10 CFR 2.711, CASE (Citizens Association for Sound Energy), Intervenor herein, hereby moves for an extension of time of 14 days, until September 3, 1980, in which to file its Answer to Applicants' First Set of Interrogatories to CASE and Requests to Produce which were filed by Applicants on August 1, 1980 and received by CASE on August 7, 1980.

This extension is necessary because these interrogatories are so voluminous that it requires additional time to prepare this Intervenor's responses. However, we are working on our responses and will file such responses as soon as possible.

Since there has been no time designated yet for the hearings themselves to begin, this extension will not prejudice the rights of any party in these proceedings.

WHEREFORE, PREMISES CONSIDERED, CASE hereby moves for an extension of time of 14 days, until September 3, 1980, in which to file its Answer to Applicants' First Set of Interrogatories to CASE and Requests to Produce.

Respectfully submitted,
