Mr. John Linehan
Uranium Recovery Licensing Branch
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Linehan:

We would appreciate it if our organization could be put on the list to receive a copy of the Draft EIS on the Federal-American Partners uranium mill in Wyoming, when that document comes out. We would also like to be informed of the status of this relicensing and expansion project.

Thank you for your cooperation.

Very truly yours,

Luke J. Danielson
