Seattle University
ATTN: Dr. Frank A. Valente
Director - Nuclear Facility
School of Science and Engineering
Seattle, Washington 98122

Dear Dr. Valente,

In response to your conversation with Mr. Kers of my staff on July 17, 1980, concerning the submittal of a physical security plan for the protection of special nuclear material of low strategic significance, a copy of 10 CFR 73.67 and Regulatory Guide 5.59 to be used in developing your plan are enclosed. Please note that the sections of the regulation and regulatory guide which apply to your facility have been highlighted.

With regards to this matter, it is requested that you submit your plan no later than August 31, 1980.

Should you have any questions concerning the regulation, guide or development of your plan please contact Dale Kers at (301) 427-4010.

Sincerely,

"Original Signed by G. W. McCorkle"

George W. McCorkle, Chief
Physical Security Licensing Branch
Division of Safeguards, NMSS
