Re: Freedom of Information Act Request

Dear Mr. Felton:

Pursuant to the Freedom of Information Act, 5 U.S.C. §552, as amended, the Union of Concerned Scientists requests the following documents concerning the emergency core cooling system in Babcock and Wilcox reactors:

1. "Analysis Summary in Support of an Early Reactor Coolant Pump Trip," Babcock and Wilcox.
2. "TMI-2 Severe Overcooling Transient with Upper Head Connection," Letter from C.J.E. Willcutt, Los Alamos Scientific Laboratory, to W.L. Jensen, NRC, June 25, 1980.

Thank you for your prompt consideration.

Very truly yours,

Ellyn R. Weiss
