Re: In the Matter of Houston Lighting & Power
Company (Allens Creek Nuclear Generating
Station, Unit 1) Docket No. 50-466

Dear Members of the Board:

On August 7, 1980, Applicant filed a "Response In Opposition To TexPirg's Class 9 Motion" which contained references to the transcript of the Commission's April 16, meeting at which the Staff's proposed Interim Policy Statement (SECY-80-131, March 11, 1980) was discussed. As stated in our Response, the Policy Statement adopted by the Commission was identical to the Staff's proposal with only one exception. (Response, p.7 n.1) In filing this Response, Applicant overlooked a provision in the Commission's regulations which precludes parties to NRC proceedings from citing statements made at open Commission meetings in filings with NRC licensing boards. (10 C.F.R.
