License No. DPR-3
Inspection No. 75-08
Docket No. 50-29

Gentlemen:

This refers to the inspection conducted by Mr. E. Jernigan of this office on July 10-11, 1975 at Rowe, Massachusetts of activities authorized by NRC License No. DPR-3 and to the discussions of our findings held by Mr. Jernigan with Mr. Autio of your staff at the conclusion of the inspection, and to a subsequent telephone discussion between Mr. Autio and Mr. Jernigan on August 4, 1975.

Areas examined during this inspection are described in the Office of Inspection and Enforcement Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, no items of noncompliance were observed. However, one activity appears not to have been conducted in accordance with a commitment to the NRC as set forth in the Notice of Deviation, enclosed herewith as Appendix A. With respect to this deviation, please submit to this office within thirty (30) days of your receipt of this notice, a written statement of explanation in reply, including, a description of any steps that have been or will be taken to correct it, a description of any steps that have been or will be taken to prevent recurrence, and the date all corrective actions or preventative measures were or will be completed.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosures will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the

document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

Robert T. Carlson
