PROCEDURAL ASSISTANCE IN LICENSING PROCEN		5	

On July 25, 1980, the Commission published the notice of "Procedural Assistance in Adjudicatory Licensing Proceedings" (45 <u>Fed. Reg. 49535</u>). In some proceedings NRC Staff counsel brought this matter to the attention of Intervenors but to insure that all Intervenors are apprised of this aid, the Doard considered it prudent to issue this notice.

In order for Intervenors to receive free transcripts and aid in servicing prepared testimony plus proposed findings of fact, Intervenors must submit to the Board for approval a statement concerning the need for such aid.
