COALITION ON WEST VALLEY NUCLEAR WASTES

October 7, 1980

Charles Haughney
Fuel Reprocessing and Recycle Branch
Division of Fuel Cycle and Material Safety
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Charlie,

I am still waiting for an explanation of the evacuation rumor I told you about. It involved, if you recall, a woman who was approached by an NFS guard and warned that there might be an evacuation called for. You referred it to and inspector who was to get in touch with the woman and get back to me.

If you will send me the name of the inspector I would be glad to contact him personally. Thank you.

Sincerely,

Carol Mongerson
