REGULATORY INSTRUCTION
 SERVICES UNIT

Gentlemen:

Thank you for your letter dated October 30, 1980, informing us of the steps you have taken to correct the noncompliance identified which we brought to your attention in Inspection Report No. 50-483/80-22 forwarded by our letter dated September 29, 1980. With regard to item 483/80-22-01, since the matter involves a design consideration, we will transmit the information you provided to our IE:HQ for their evaluation and will inform you of their disposition of this matter.

With regard to item 483/80-22-02, we understand based on a telcon with Mr. Veatch on November 4, 1980, that the Proctor tests will be completed by November 12, 1980. If any of the data indicates unacceptable fill, we further understand you will supplement your October 30, 1980 memo by providing additional details.
