

DOCKET NUMBER 70-03, 32, 70, 150
PROPOSED RULE (40 CFR 20.374)
PARTIAL 11075

002719

LETTER TO AMENDMENTS

Dear Mr. Secretary,

I oppose the proposed amendments to parts 30, 32, 70 and 150 of the NRC's regulations. These amendments would return radioactive scrap metal to the market as uncontrolled metal. We would be exposed to radiation in our everyday lives; our children would risk playing with radioactive toys. That is a risk which we cannot afford.
