SUBJECT: Docket 50-289SP
TMI - Unit 1
Middletown, PA

Mr. John F. Ahearne
Chairman Commissioner
US Nuclear Regulatory Commission
1717 H Street, NW
Washington, DC 20555

Dear Mr. Ahearne:

In view of the energy situation in this country, about which we hear so much, it is hard to understand why a completed and undamaged nuclear plant has been forced to stand idle for almost two years.

I hope that we will soon hear that the decision has been made to put Unit I of Three Mile Island back into operation at a very early date.

Yours very truly,

Stanley R. Anderson
(Mrs. Stanley R. Anderson)
