(File: 0468, 2-0468)

Gentlemen:

In accordance with 10 CFR 50.54(P), enclosed for your incorporation into the Arkansas Nuclear One Industrial Security Plan are five (5) copies, copies 1 through 5, of revision number 3. Included in this revision are changes we committed to make in our letters of December 31, 1980, and January 7, 1981. In Enclosure A is a brief summary of several of these changes for further clarification.

Due to the proprietary security nature of this information, we request the enclosed be withheld from public disclosure pursuant to 10 CRF 2.790(d).

Very truly yours,

David P. Triable
