Re: Louisiana Power & Light Co. (Waterford  
Steam Electric Station, Unit 3) -  
Docket No. 50-382

Dear Mr. Jones:

Enclosed are Applicant's responses to Joint Intervenors' Interrogatories for Contentions 1, 2 and 17. Responses to Interrogatories for Contention 19 will be provided later, as agreed.

The responses are presented in the same format as our previous responses of January 7, 1980, and Mr. Blake's comments in the transmittal letter of that date are applicable here.

Some of the information requested in Interrogatory 1-47 related to uranium fuel contracts is considered proprietary by both Applicant and the contractors, and Applicant is contractually bound not to disclose it. If, after reading the information provided in 1-47 and in responses to other related interrogatories, you wish to pursue this further, please contact me or Mr. Blake.
