

APRIL 21 1981

MEMORANDUM FOR: R. Wayne Houston, Chief
 Accident Evaluation Branch
 Division of Systems Integration

FROM: Robert L. Tedesco, Assistant Director
 for Licensing
 Division of Licensing

SUBJECT: DELAY IN ISSUANCE OF DRAFT SUPPLEMENT TO THE FES
 FOR COMANCHE PEAK

In a phone conversation with S. Burwell on Thursday, April 2, 1981, you indicated that you need to revise the accident section of the Draft Supplement to the FES to conform to Chairman Hendrie's concerns. You projected that your input could cause the staff to further slip the issuance date of the subject document.

Except for your revised input, we are projecting an April 17 issuance date. In order to meet that date your revision is required by C.O.B. Friday, April 10, 1981. If you cannot meet this date, please let me know.
