Congressional Liaison
Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Sir:

I am enclosing a copy of a letter I received from Christopher Brejle of the University of Dayton, concerning construction flaws at the Zimmer nuclear facility. I believe that the enclosure is self-explanatory.

I would appreciate having the benefit of your comments on the points raised in the enclosure. Specifically, I would like to know what type of corrective action is planned.

Thank you for your attention to this matter.

Sincerely,

Tony P. Hall
Member of Congress
